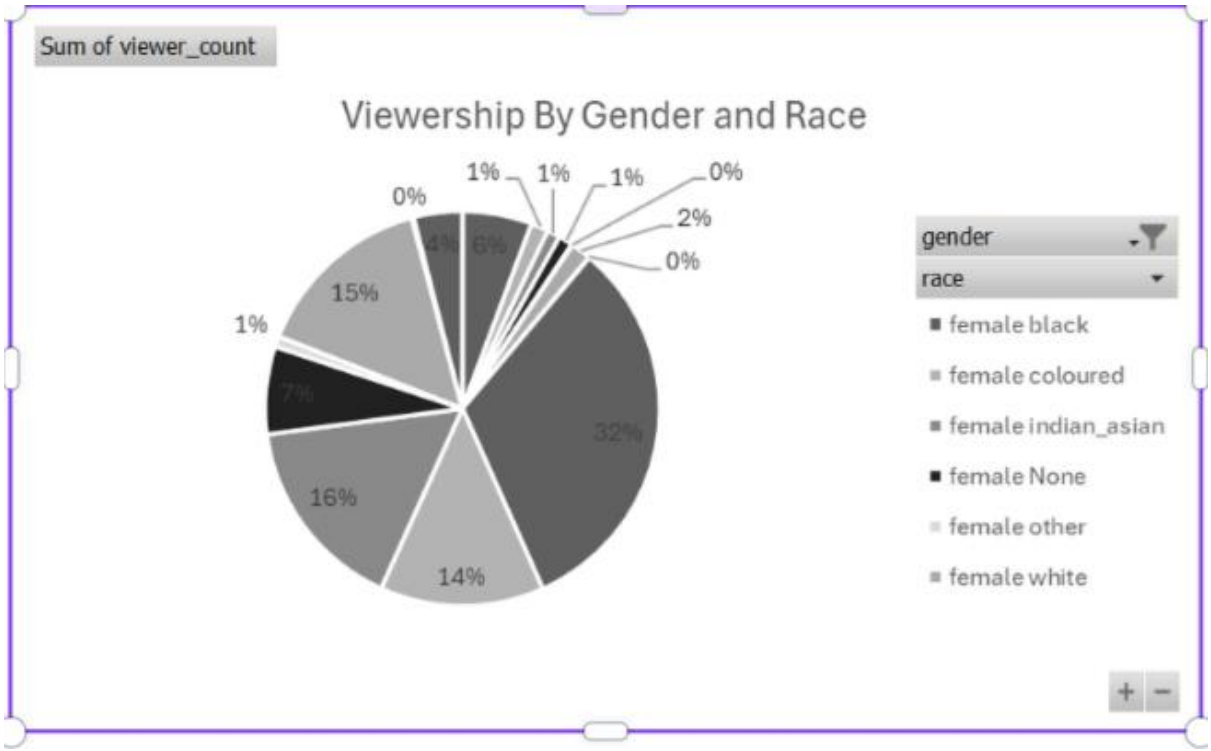
📊 **1. Viewership by Gender and Race (Pie Chart)**



✅ **Insight:**

- The largest segment contributes **32% of total viewership**, indicating a **dominant demographic group**
- Other significant segments: **16%, 15%, and 14%**
- Several groups contribute **less than 2%**, showing **low engagement from certain demographics**

💡 **Business Meaning:**

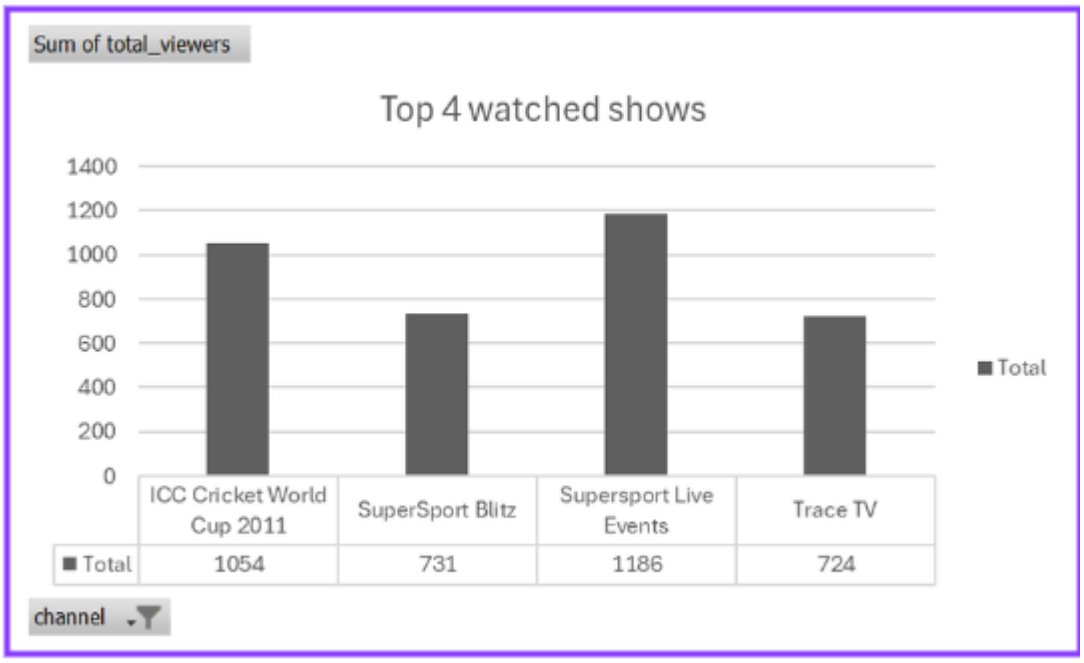
👉 BrightTV's audience is **not evenly distributed**
👉 A few demographic groups drive most of the engagement

🚀 **Recommendation:**

- Focus content and marketing on **high-performing segments**
- Create **targeted content** to grow underrepresented groups

---

📊 2. Top 4 Watched Shows (Bar Chart)



✅ **Insight:**

- **SuperSport Live Events (1186 viewers)** is the most watched
- Followed by:
  - ICC Cricket World Cup (1054)
  - SuperSport Blitz (731)
  - Trace TV (724)

💡 **Business Meaning:**

👉 **Live sports content dominates viewership**

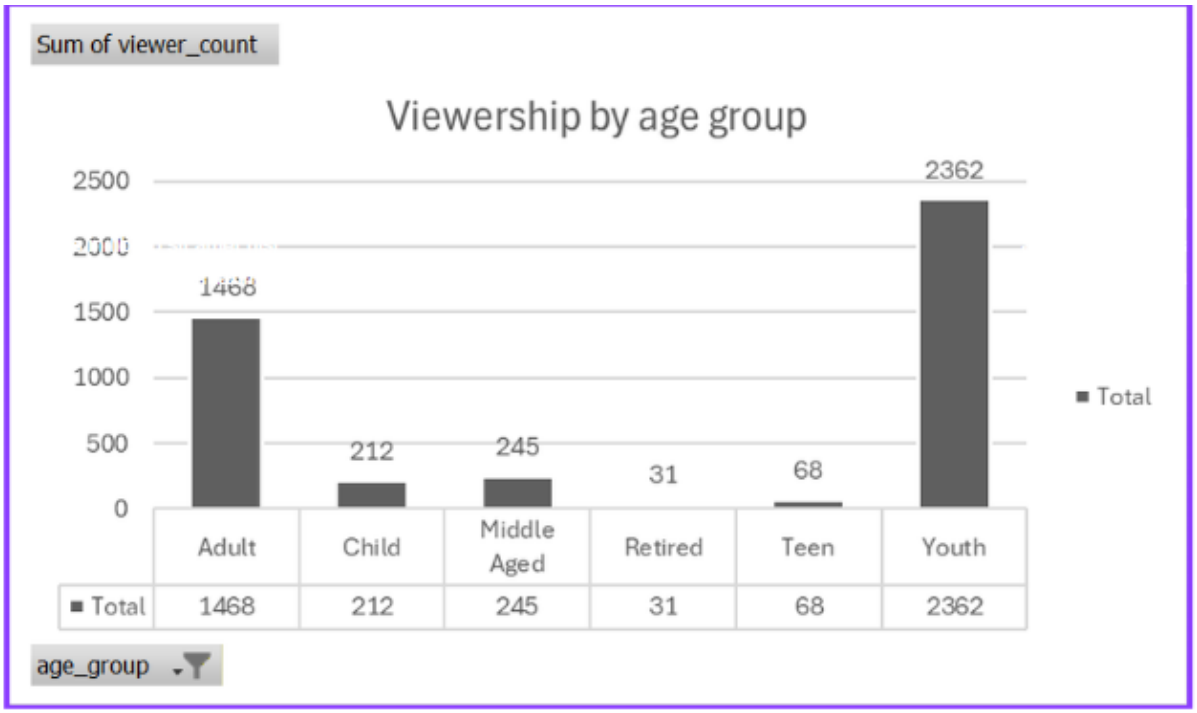
🔥 **Key Takeaway:**

- Sports = **major driver of engagement**

🚀 **Recommendation:**

- Invest more in:
  - Live sports broadcasting
  - Sports-related content
- Promote sports heavily during peak hours

📊 3. Viewership by Age Group (Bar Chart)



✅ **Insight:**

- **Youth (2362 viewers)** = largest audience segment
- Followed by:
  - Adults (1468)
- Very low engagement from:
  - Teens (68)
  - Retired (31)

💡 **Business Meaning:**

👉 Platform is **heavily youth-dominated**

🔥 **Key Takeaway:**

- BrightTV is essentially a **youth-focused platform**

🚀 **Recommendation:**

- Prioritize:
  - Youth-oriented content (trending, entertainment)
- Explore strategies to:

- Attract older audiences (diversify content
